

SAFETY DATA SHEET

TITAN GLASS & MULTI SURFACE CLEANER

Infosafe No.: 7EFHI
ISSUED Date : 10/06/2022
ISSUED by: JASOL AUSTRALIA

CLASSIFIED AS HAZARDOUS

1. Identification

GHS Product Identifier

TITAN GLASS & MULTI SURFACE CLEANER

Product Code

3000140

Company name

JASOL AUSTRALIA

Address

41-45 Tarnard Drive Braeside
VIC 3195 AUSTRALIA

Telephone/Fax Number

Tel: 03 95805722

Fax: 03 95809902

Emergency phone number

1800 629 953

Recommended use of the chemical and restrictions on use

Glass and multisurface cleaner

Disclaimer

Jasol (a division of George Weston Foods Limited) believes the information in this document to be accurate as at the date of preparation noted in the header of the SDS, but to the maximum extent permitted by law, Jasol accepts no responsibility for any loss or damage caused by any person acting or refraining from action because of this information.

The provision of this information should not be construed by anyone as a recommendation to use this product. In particular, no one should use any product in violation of any patent or other intellectual proprietary rights or in breach of any statute or regulation.

Users should rely on their own knowledge and inquiries and make their own determination as to the applicability of this information in relation to their particular purposes and specific circumstances. Each user should read this SDS and consider the information in the context of how the product will be handled and used in the workplace and in conjunction with other substances or products.

2. Hazard Identification

GHS classification of the substance/mixture

Classified as Hazardous according to the Globally Harmonised System of Classification and Labelling of Chemicals (GHS) including Work, Health and Safety Regulations, Australia.

Not classified as Dangerous Goods according to the Australian Code for the Transport of Dangerous Goods by Road and Rail. (7th edition)

Skin Corrosion/Irritation: Category 3

Signal Word (s)

WARNING

Hazard Statement (s)

H316 Causes mild skin irritation.

Precautionary statement – Response

P332+P313 If skin irritation occurs: Get medical advice/attention.

3. Composition/information on ingredients

Ingredients

Name	CAS	Proportion
2-Butoxyethanol	111-76-2	<5 %
Surfactant Sequestrant blend		<1 %
Ammonium hydroxide	1336-21-6	<0.1 %
Ingredients determined not to be hazardous		Balance

4. First-aid measures

Inhalation

If inhaled, remove affected person from contaminated area and keep at rest in a position comfortable for breathing. Keep at rest until recovered. If symptoms develop and / or persist seek medical attention.

Ingestion

Rinse mouth with water. Do NOT induce vomiting. Give a glass of water to be taken slowly. Seek medical advice.

Skin

If there is a skin reaction, remove all affected clothing and wash affected area thoroughly with soap and water. Wash contaminated clothing before re-use or discard. If symptoms develop and/or persist seek medical attention.

Eye contact

If in eyes, hold eyelids apart, flood with water for at least 15 minutes. If symptoms develop and / or persist, seek medical attention.

First Aid Facilities

Eye wash station and normal washroom facilities.

Advice to Doctor

Treat symptomatically

5. Fire-fighting measures

Suitable Extinguishing Media

Use extinguishing media appropriate to surrounding fire.

Specific Hazards Arising From The Chemical

Not a fire hazard. Not an explosion hazard. Following evaporation of aqueous component under fire conditions, the non-aqueous components may decompose and/or burn.

Precautions in connection with Fire

Not a fire hazard.

6. Accidental release measures

Spills & Disposal

Wear appropriate protective clothing.

If possible contain the spill. Place inert absorbent material onto spillage. Collect the material and place into a suitable labelled container. Wash site of spillage thoroughly with water. Ventilate area to dispel any residual vapours. Dispose of waste according to the applicable local and national regulations.

7. Handling and storage

Precautions for Safe Handling

Carefully read the product label before use. Use of safe work practices is recommended to avoid eye or skin contact and inhalation. Observe good personal hygiene, including washing hands before eating. Prohibit drinking, eating and smoking in contaminated areas.

Conditions for safe storage, including any incompatibilities

Store out of reach of children. Large quantities should be stored in a bunded area. Store in original container. Keep away from oxidising agents. Store in a cool, dry, well-ventilated area. Out of direct sunlight. Protect from physical damage. Protect from freezing. Clean up all spills and splashes promptly; avoid secondary accidents.

8. Exposure controls/personal protection

Occupational exposure limit values

2-Butoxyethanol TWA 21ppm, 121 mg/m²

Appropriate engineering controls

Avoid inhalation. Use in well ventilated areas. Maintain vapour levels below the recommended exposure standard.

Personal Protective Equipment

Eye/Face: Wear safety glasses or splash goggles if risk of splashes exists, or where large quantities are handled

Hands: With prolonged contact wear PVC or rubber gloves

Body: Not required under normal conditions of use

Respiratory: Not required under normal conditions of use

9. Physical and chemical properties

Properties	Description	Properties	Description
Form	Liquid	Appearance	Transparent pale blue liquid
Colour	Pale blue	Odour	Faint ammonia odour
Boiling Point	100C	Solubility in Water	Soluble
Specific Gravity	1.00	pH	10.0-11.0
Vapour Pressure	17.5 mm Hg @ 20C	Volatile Component	>60% (water)
Flash Point	N/a	Flammability	Not flammable

10. Stability and reactivity

Chemical Stability

Stable under normal use conditons.

Conditions to Avoid

Not known

Incompatible materials

Incompatible with oxidising agents, acids, alkalis, heat ignition sources.

Possibility of hazardous reactions

Not available

Hazardous Polymerization

Not expected to occur.

11. Toxicological Information

Toxicology Information

Use safe work practices to avoid eye or skin contact and inhalation. When used in small quantities, the potential for over-exposure is reduced. Chronic exposure to some glycols may result in liver and kidney damage.

Ingestion

Ingestion may result in gastrointestinal irritation, nausea, vomiting, headache and diarrhoea.

Inhalation

Inhalation may result in irritation of the nose and throat with coughing. High level of exposure may result in respiratory irritation, nausea, dizziness, headache and possible breathing difficulties.

Skin

Classified as skin irritant. Contact may result in mild irritation.

Eye

Not classified as eye irritant. Contact may result in irritation, lacrimation, pain and redness.

12. Ecological information

Ecological information

Limited ecotoxicity data was available for this product at the time this report was prepared. Ensure appropriate measures are taken to prevent this product from entering the environment.

Persistence and degradability

Data not available

13. Disposal considerations

Disposal considerations

For small amounts, absorb with sand, vermicullate or similar and dispose of to an approved landfill site. Contact manufacturer/supplier for additional information if disposing of large quantities (if required).

Waste Disposal

Dispose of according to relevant local, state and federal government regulations.

14. Transport information

Transport Information

Not regulated for transport of Dangerous Goods: ADG7, UN, IATA, IMDG

U.N. Number

None Allocated

UN proper shipping name

None Allocated

Transport hazard class(es)

None Allocated

15. Regulatory information

Regulatory information

Classified as Hazardous according to criteria of Globally Harmonized System of classification and labelling of chemicals (GHS) including Work, Health and Safety regulations, Australia.

Not classified as a Scheduled Poison according to the Standard for the Uniform Scheduling of Medicines and Poisons (SUSMP).

Poisons Schedule

Not Scheduled

16. Other Information

Date of preparation or last revision of SDS

SDS reviewed: July 2017

SDS created: May 2017
